

Puckrup Seniors home match V Tewkesbury Park - Match report

This fixture is played annually both home and away for the Stuart Day Trophy with the combined results of both fixtures determining the trophy winner. This first leg, played at Puckrup Hall, resulted in a win for the home team by 3 ½ points to 2 ½ points. This is then carried forward to the second leg scheduled for September.

There were some big wins for Puckrup, with Adrian Tame and Jack Laughton winning by 8 and 6 but most matches were closely fought with two being determined on the 18th green. The fixture was followed by a very good lunch. The Puckrup captain then made a presentation to Tom Picariello who is leaving the golf team this week for a new position as a professional at another club. We wish him every success in his new post. The fixture was played in a very friendly spirit, we enjoyed good weather and look forward to the return match in September.
