

WALMER & KINGSDOWN GOLF CLUB

The Club on the Cliffs

MEMBERSHIP PACK 2022

Based high up on the famous White Cliffs, between Dover and Deal, you will find the beautiful James Braid designed Walmer and Kingsdown Golf Course. It is a very playable course with some unique challenges, in truly wonderful surroundings, but what makes us really special is the club atmosphere and the diversity of people that come to play.

“A beautiful place for a relaxing game of golf by the sea”

The course is played on the east and west side of a ridge on top of the Downs, overlooking the village of Kingsdown with a refreshing sea breeze and incredible views of the English Channel. It is a downland course measuring 6471 yards off the white tees and offers challenges for all abilities.

This is a golf club that has been interested in bringing new players to the game. Right from its inception in 1909 the club was set up to encourage families to play golf together and this ideal still holds true today. This is a course for men, ladies, juniors and learners alike; all are welcome here to enjoy the game, the scenery and something good to eat and drink afterwards.

As of April 2022, there is a waiting list to join Walmer & Kingsdown Golf Club. The number of membership enquiries being received has continued to grow, so we would strongly recommend you join our waiting list as soon as possible - so that at the earliest opportunity, when a place becomes available, you can become a member.

Currently, the earliest date for a membership place being offered will be from 1st July 2022. The Club will be reviewing available places towards the end of our current membership year (which ends on 30th June 2022).

Please contact the Club Manager on 01304 373256 (option 2) to receive any additional information.
