

Puckrup Hall Seniors V Bransford at home – match report 2/10/2021

This was a relatively closely contested fixture with Bransford winning by 3 ½ to 2 ½. The first match involving both captains was a very exciting affair with most holes halved and no more than one hole difference throughout the match. The pairings went up the 18th all square with all four players trying too hard to hit the green from the tee. Result? All four missed and were in trouble. The 18th hole was also halved, as was the match. Adrian Tame partnering Martin Hatt almost overcame giving 18 shots to one of the visitors, settling the match on the 18th hole, which the hosts lost. In contrast there were also a couple of heavy defeats for the home side. The match was played in a very good spirit and everyone enjoyed refreshments at the bar following the competition.
