

Cold Take Away Service

Due to increased demand for catering for societies, match meals & members functions etc we feel we can no longer offer you our full takeaway service efficiently as well as meeting members needs within the clubhouse.

We hope to resume the cold takeaway service during the winter months if members would like to continue with this service.....

In the meantime if there is anything you would like for specific events or family occasions please let me know and we will try our best to accommodate you - we also have a large selection of frozen (day after production) meals if you wish to pick any up over the next few weeks - just let us know.

We would like to take this opportunity to Thank-you so much for your loyal support during the pandemic, through lockdown & recent months and hope this hasn't caused you any inconvenience for short notice

With very best wishes & thanks
Sharon & Mike x
