

# **RACE NIGHT**

**Friday 31<sup>st</sup> March 2023**

**7pm (1<sup>st</sup> race at 7.30pm)**

**Entry is free**

**For those who are unaware, the Race Night consists of 8 races from foreign or other obscure races shown on the TV or screen in the main bar.**

**There is a tote betting machine allowing you to bet on the horses. The odds are worked out by the machine depending on the amount placed on each horse.**

**There will be a 30 minute break after the 4<sup>th</sup> race to cater for food. This can be ordered from the bar menu at the going prices.**

**The subsidised food that was originally circulated has not been taken up so has been withdrawn.**

**Hope to see you there. It is always a fun night.**
