

MARGARET SELF CUP (Closed Meeting)

Donated in 1975 by Mrs Margaret Self, who was Ladies' Captain in 1975 and Ladies' President in 1997. It was originally played for at the Ladies' Open Meeting. As this became oversubscribed the Closed Meeting was started in 1986 when members only would compete for this Cup.

Notes:

- This competition is played in twos and if a player drops out at short notice and a substitute cannot be found, the remaining player must either join the last pair or drop out too in order that the speed of playing in pairs is maintained.
- In the event of a tie, the winner will be determined by countback on holes 10-18, regardless of whether the players started on the 1st or 11th tee.
