Login / Registration

When you first start up the App or visit the website you will be presented with the login screen. Here you will find two options. Login or Register.

Login

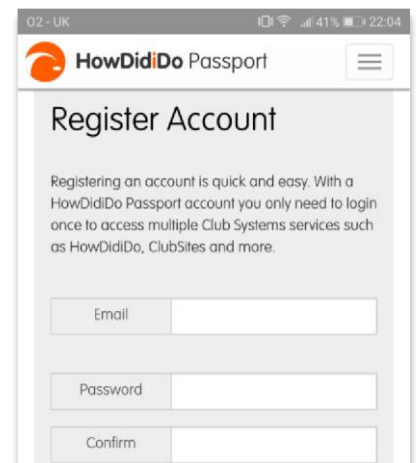

If you have already got a HowDidiDo account all you need to do is put in your HowDidiDo Login details. If you have forgotten your password you can also request a password reset from here as well by tapping on the I've Forgotten my password link in orange.

The screenshot shows the 'HowDidiDo Passport Login' screen. At the top, there is a status bar with the time 15:07 and a battery level of 73%. The app header includes the HowDidiDo logo and the text 'Passport Login'. Below the header, there are two input fields: 'Email' and 'Password'. A checkbox labeled 'Remember Me' is positioned below the password field. An orange button labeled 'Login to Passport' is located below the 'Remember Me' checkbox. At the bottom of the screen, there is a link that says 'I've forgotten my password' in orange text.

Registration

If you do not already have a HowDidiDo account you will need to tap register and fill out a simple form. You will then get a verification email with a link you will need to tap.

The screenshot shows the 'HowDidiDo Passport Register Account' screen. The status bar at the top shows the time 22:04 and a battery level of 41%. The app header includes the HowDidiDo logo and the text 'Passport'. Below the header, there is a title 'Register Account' and a paragraph of text: 'Registering an account is quick and easy. With a HowDidiDo Passport account you only need to login once to access multiple Club Systems services such as HowDidiDo, ClubSites and more.' Below this text, there are three input fields: 'Email', 'Password', and 'Confirm'. A hamburger menu icon is visible in the top right corner of the app header.
