

# Beamish Park Golf Club

## 2020 Membership Package

This is as shown below – please note that England Golf/County affiliation fee is being shown separately. The latter entitles every member to a free ‘County card’ which will give the option to play other courses casually for a reduced rate – this is a national scheme.

Lockers	25.00		25.00
Country	400.00		400.00

Notes \* Flexible Membership- points based system requires additional points to be purchased, available to new members or members who had left and are returning to BPGC after a min of 1 year break.

\*\* These are new membership categories to retain young people and to provide a new pathway into golf from the Get Into Golf Programme.

2020 BPGC Membership will continue to include the North East Golf MasterKey Card, providing BPGC members with an annual pass for a Round of Golf (conditions apply) at each of the 5 other clubs participating in the golf passport program.

NB! A nominal fee of £5/card will be charged (equating to £1.00/round at these prestigious clubs) to each member who wishes to utilise this facility. This card brings additional value to the BPGC membership. All monies collected will be used specifically on the course with the mole catcher being the priority.
