COURTESY ON & CARE OF THE GOLF COURSE

CODE OF CONDUCT

Consideration for other players

In the interest of all, players should play without delay. No player should play until those in front are out of range. Players searching for a ball should signal those behind them to pass as soon as it becomes apparent that the ball will not be easily found; they should not search for three minutes before doing so. They should not then continue play until the players passing through are out of range. When the play of a hole has been completed, players should leave the putting green immediately.

Behaviour during play

No one should move, talk or stand close to or directly behind the ball or the hole when a player is addressing the ball or making a stroke. The player who has the honour should be allowed to play before his opponent or fellow competitor tees their ball.

Priority on the course

Any match playing a whole round is entitled to pass a match playing a shorter round.

If a match fails to keep its place on the course and loses more than one clear hole on the match in front, it should allow the match following to pass.

CARE OF THE COURSE

Restore Divots, Repair Ball Marks and Damage by Spikes

Through the green, a player should ensure that any turf cut or displaced during play is replaced at once and pressed down, and that any damage to the putting green made by the ball is repaired carefully. Damage to the green caused by golf shoe spikes should be repaired on completion of the hole.

Impressions in Bunkers

Before leaving a bunker a player should repair and smooth over any damage caused, i.e. Divots and footmarks. Please leave bunkers in the condition you would expect to find them.

Damage to Greens – Flagsticks, Bags etc.

Players should ensure that when putting down bags, or the flagstick, no damage is done to the putting green and that neither they nor their caddies damage the hole by standing close to it, in handling the flagstick or in removing the ball from the hole. The flagstick should be replaced properly in the hole before the players leave the putting green. Players should not damage the putting green by leaning on their putter, particularly when removing the ball from the hole.

Damage through Practice Swings

In taking practice swings, players should avoid causing damage to the course, particularly the tees.

Buggies

Members with buggies must report to the Golf Shop before commencement of play to check on any restrictions on the use of buggies.

Local notices regulating the use of buggies and trolleys must be strictly observed.

Always keep the buggy 10 meters clear of greens and approach areas. Never drive a buggy between a greenside bunker and green. Always use paths and parking areas where possible near tees.

CLUB COMPETITION & HANDICAP RULES

DAY COMPETITIONS.

Competition Pre-Entry:

Entry is via the computer for all competitions and entry fees will be deducted from accounts at time of entry and will be returned should the competition be deemed cancelled.

Main Competition Entry:

Members pre-pay into the competition account, by cheque (or bank transfer), a sum of money, no less than £20.00 minimum and enter the competitions through the computer by way of the club swipe card system. Please note no responsibility will be accepted for cash placed in envelopes. Warning advice will be given to the account holder when funds are below a minimum level. Please allow 7 days for accounts to be credited. Players may not enter a competition if they have insufficient funds on their account.

Scorecards must be returned as soon as possible upon completion of round. All cards MUST be returned. Failure to comply with these rules will mean disqualification.

Any member who pre-enters and does not appear on the tee at the appointed time without first informing their playing partner(s) or Golf Reception will be asked to explain their action.

Twos Competition (Optional)

These are entered at the time of signing into the competition.

Knock-out Competitions

Pre-entry is via entry sheets posted on the notice boards until the given closing date. Once the draw is published, the member(s) have equal responsibility to arrange the match and should a difficulty arise they must contact the Chair of Matches & Competitions. If any match is not completed one week before the date set for the completion of that round, and no date being agreed between the participants, the Matches and Competitions Chairman must be notified and a date will be set, on which the match must be played. Should one side fail to turn up on the tee at the set time the match will be awarded to the other side. If neither side turn up, both will be disqualified.

No time extensions will be granted without adequate reason.

RULES APPLICABLE TO ALL COMPETITIONS

(1) Competitions throughout the year will be set up to play in three or four balls.

(2) All notices pertaining to Hawkstone Park Golf Club competitions will be posted in the Golf Club House. Members should not confuse these notices with those for Company organised events.

(3) For certain competitions, blocks of starting times are reserved and administered by the Golf Club. Members should normally play in these times but, in exceptional circumstances, can play at other times with the prior agreement of the Captain, or Chair of Matches & Competitions.

(4) The Committee has agreed for a 12 month trial period (beginning March 1st) for Trophy Competitions to allow members who cannot play on the Main Competition Day to play on a stipulated alternate day (when practical.) This will be the Friday prior for Men and either Saturday or Sunday prior for Ladies (see diary for dates). Alternate day rules for other competitions is still in place. The Committee requires anyone wishing to play the alternative day to book a minimum of 48 hours prior and inform a member of the Matches & Competitions Sub-Committee. An alternate day for Junior or Seniors Competitions would be available within the authorisation of the organiser. In the event of members representing the Golf Club or County at outside events an alternative day of play (within two days prior of the Main Competition day) may be authorised at the Captain's or Chair of Matches & Competitions discretion.

(5) The use of buggies are not allowed in Club competitions, unless the player is covered by the disability act or has a medical exemption. In both cases the individual must seek the prior permission from the Chair of Matches and Competitions or a member of the M & C Sub-Committee acting on behalf of the Chair. All requests will be in complete confidence and dealt with sympathetically.

(6) EGU approved measuring devices are allowed in all Club competitions.

(7) Club trophies are presented at the Annual Dinner. Members are specifically asked to make every effort to attend this event; any trophy winner unable to attend will be expected to send their apologies to the Captain accordingly.

(8) Prizes, as distinct from trophies and glasses, will not be given to absentees but will be awarded at the Matches & Competitions Committee's discretion.

(9) Eligibility for Trophies – Men's and Ladies Section

Major trophies can only be awarded to members who have returned a minimum of three completed qualifying competition cards to the committee during the 12-month period preceding the date of that competition.

Note: Any amendments/additions to these rules can be found in the competitions file in the locker room.

Handicap Requirements:

The Handicapping system of the Council of National Golf Unions is in operation. To obtain a handicap in the first instance, members must return three completed cards, preferably marked under medal play conditions.
