

JGU & JLGA CI Finals

The JLGA and JGU in Jersey have taken the decision to not travel to Guernsey for the inter-island finals scheduled for next weekend the 24 and 25 July.

Whilst of course this is disappointing, with the current Covid situation and Guernsey recently changing the rules for incoming travel we felt we had no option but to reassess. Of course, putting the safety and health of all the players and officials in Jersey and Guernsey is paramount, it is also felt that the logistics and costs makes the trip untenable because of the additional requirements to test etc.

We would still like to play all the finals when it is safe to do so, so this is a postponement not a cancellation and we hope we can agree a revised date with Guernsey in due course.

Kind Regards

Steven Bowen
Jersey Golf Union President

Juanita Adlington
JLGA President
