## CAPTAINS CHARITY

### MUG

When my wife Cheryl and I met with Chris Walker of MUG we were, to be honest, totally gobsmacked by what MUG do for our community in a quiet way. All of the money raised stays in Guernsey, and I know that they have a few projects under way to continue their support of the fight against, mainly Prostate and Testicular cancer, as well as other projects including the "man shed" in St Peters. If you would like to help to support this Charity, one easy way is to pick up a Standing Order form from the Clubhouse for my monthly draw. It's £10 a month and half of the money raised goes to the Charity and the other half is distributed in cash prizes. The value of prizes will be determined by the money raised – please consider this.

A big thank you for those who turned out for my Drive-in on January 5<sup>th</sup>. The Clubhouse was full, so it was great to see so many Members and friends enjoying themselves. Also many thanks for the generosity shown by so many in the number of bottles of alcohol that I received – Won't need to go to my wine merchant for a few weeks !!!

As we approach the end of January, the winter fourball leagues are drawing to a conclusion.

These leagues are the life blood of the Club during the winter months and to those of you who participate in the league – Thank you for your support.

I cannot let this first blog go without reiterating my thanks to our retired President Tony Blondel and Captain Micky Boot. Both "gentlemen" have served the Club marvellously over the past few years so hope they enjoy their "retirement"!

The list is up for the **Walton Heath** trip at the end of April / early May. This is a trip that I have enjoyed for many years now and the chance to play on 2 wonderful courses and enjoy the hospitality of the "Artisans Club", is something that all Members should enjoy at least once. The only issue though, is that we are restricted to numbers who can go on each trip due to play on the courses, but if you would like to know more about the trip, please speak to myself or one of the many Members of the Club who have enjoyed numerous visits over the years.

Finally, it has been my pleasure to have known your new President, Geoff Meagher, for as many years as I can remember and wish him well in his 3 years in office. I will though, continue to carry him in the Fourball leagues – he is quite a burden but does come in now and then!!!! (I look forward to some comment once this is published)

**Enjoy your golf - Alan**
