

Puckrup Hall Seniors V The Wiltshire (away) match report

This fixture is traditionally played for the BM Trophy. Earlier this year we played the fixture at Puckrup Hall and won by four points to two. In this away match we lost by four points to two. Consequently, the trophy was awarded to The Wiltshire on this occasion. The day was very hot so we agreed in advance that those that need to should curtail their match on the 12th hole by the clubhouse and come in with a result. In the event every group went through to the 18th hole. There was a convincing win by 4 and 3 for Tony Byrne partnering Bill Knight. The two captains and their playing partners enjoyed a very close match which was only decided on the very last putt when Ray Jardine and Michael Maxwell won having been trailing for almost the whole match. Overall, we had a splendid day's golf with old friends with an excellent meal to follow.
