BUNKERS TEMPORARY LOCAL RULE E-3

Now that we have made some tentative steps towards returning to some form of competitive golf, a decision has been taken to adopt the local rule approved by the R and A and the golfing unions to enable preferred lies within bunkers. Notwithstanding this please continue to smooth out footprints every time you go in a bunker. When a player's ball lies in a bunker the player may take free relief ONCE by placing the original ball and playing it from this relief area

- * Reference Point: spot of the original ball
- * Size of Relief Area Measured from Reference Point: 6 inches from the reference point, **but** with these limits:
- * Limits on Location of Relief Area:
 - i. must not be nearer the hole than the reference point and
 - ii. must be in the bunker

In proceeding under this local rule, the player must choose a spot to place the ball and use the procedures for replacing a ball under rules 14.2b(2) and 14.2e

For the full text of any local rules referenced, please refer to the official Guide to the Rules of golf, unless otherwise noted, the penalty for breach of the local rule is the general penalty (2 strokes penalty)
