Coronavirus Update

In order to avoid group contact arising from the Covid-19 pandemic the Management committee of Clonmel Golf Club has decided to close the upstairs of the clubhouse until further notice. This came into effect on Friday March 20th.

The clubhouse downstairs, including the toilets, locker rooms, Office and Pro Shop will remain open on the basis that the HSE guidelines in relation to maintaining social distance, handwashing, etc will be adhered to.

The club is adhering to HSE and GUI/ILGU guidelines:

- Golf as a sport is open to club members
- Golfing activity in Clonmel will continue as notified by the men's and ladies committees under the restrictions and guidelines that they have circulated.
- The current restrictions will place financial constraints on the Club, and it is important that we come through in as healthy a state as possible. Members can help in this regard by playing in competitions and renewing their membership where they have not already done so. Contact Aine to discuss the payment options available and methods of payment (over the phone/online)
- The Management committee will keep our members informed as the situation unfolds and will act at all times in accordance with the guidelines issued by our parent body and the HSE.
