

Four Seasons Cuisine (Shirley Park) LTD August 2020

Eat Out to Help Out

We have signed up to the government incentive “eat out to help out”. We will be running the scheme from Monday the 3rd of August. The scheme will be in effect every Monday, Tuesday, and Wednesday throughout August. The discount will apply to every item on the bar menu. The discount is 50% off the headline price with a maximum discount of £10 per person per transaction.

When paying for food with relation to this offer we will only be able to accept credit, debit card or cash. Not member cards.

We will also be running out restaurant nights on a Tuesday night throughout August, 4th, 11th, 18th and 27th. The restaurant nights are priced at £20 pp. The Scheme applies to these nights as well as the bar menu so please do feel free to use the catering facilities as much as you can in these times. The restaurant night will cost members just £10.

Members and guests are to book in advance of the date in question to enable the club and FSC time to prepare. Payments are to be made on the night.
