

Huntswood Golf Club - Temporary Local Rule

The Tall Metal Fence to the right of the new 2nd green extension is defined as a Temporary Immovable Obstruction (TIO)

Local rule F-23

The additional relief provided by this local rule includes the ability for a player to take relief when the TIO is located on the straight line between their ball and the hole, known as 'line of sight' relief.

A player can choose to take relief by using either:

- **The procedure for taking relief from an abnormal course condition in Rule 16 as if the TIO were an immovable obstruction, or**
- **The additional relief option available under this Local Rule**

When Relief Is Allowed:

Relief from a TIO is normally allowed when there is physical interference or line of sight interference from the TIO. Interference under this Local Rule means that the player has:

- Physical interference,
- Line of sight interference, or
- Both physical and line of sight interference

1. Meaning of Physical Interference by Temporary Immovable Obstruction. Physical interference exists when:

- The player's ball touches or lies in or on a TIO, or
- The TIO interferes with the player's area of intended stance or area of intended swing.

2. Meaning of Line of Sight Interference by Temporary Immovable Obstruction. Line of sight interference exists when:

- The player's ball touches or lies in, on or under a TIO, or
- The TIO is on the player's line of sight to the hole (that is, the TIO is located on the straight line between the ball and the hole), or
- The ball is within one club-length, measured on an equidistant arc from the hole, of a spot where the TIO would be on the player's direct line of sight to the hole (this one club-length wide area is commonly referred to as the "corridor").

Taking Line of Sight Relief

Line of Sight Relief is taken by moving the ball sideways, keeping the same distance from the hole, so that the TIO is no longer between the ball and the hole (also known as moving along the 'equidistant arc').
