Cutoff date is the date of which you need to make application and payment to be included in that month's draw. If joining after any month's the below standing order can be adjusted but changing the start from date to the date you wish and signing that.

Page 2 is the Application form – this needs to be completed by all who wish to participate, to comply with the Jersey Gambling Commission, you must be a full playing member of a club affiliated with the JGU.

Page 3 is the Standing Order form – if you wish to pay monthly, you can also set that up personally via online banking, but with the variety of banks I can't provide instructions for that. You can also pay via cheque too, but this is only available for those paying £120 upfront.
