

## 2👁️2👁️Vision – ‘Lockdown’ Edition

Hello to all Davenport Golf Club members,

Firstly, we hope everyone is doing okay in such challenging circumstances and that you and your loved ones are safe and well. After our Captains’ Drive In on Monday, we now turn to more important issues.

### **Our Charity – ‘Stockport Mind’**

We are writing today to ask for your support towards our charity this year which is Stockport Mind. This is a local, independent, adult mental health charity which serves our immediate area. The impact of the Coronavirus situation is having a substantial effect on everyone’s mental health and our Stockport Mind services are now needed more than ever before. They are heavily reliant on donations and most of their fundraising is via events. As always, Davenport GC were planning to have various charitable events throughout the year, all of which are now on hold.

Nevertheless, we continue to build the relationship between DGC and Stockport Mind, who are keen to promote our support and have recently added our Captains’ Drive In videos to their website – use link below to watch.

<https://www.stockportmind.org.uk/2020/04/davenport-golf-clubs-captains-drive-in/>

Since this current situation came about, calls to the helpline have increased by 68 % but their financial position has become very precarious overnight. They are now urgently in need of our support to meet this growing demand having lost a considerable proportion of their income. We want to ensure they can continue their vital work supporting our local community with the ever-growing mental health needs, so we are setting up a dedicated fundraising page for Davenport Golf Club today – please use the link below if you wish to donate.

### Donate Your Commute

Have you considered how much you are currently saving on transport costs? If we were all to donate a proportion of these savings, we as a club, would go a long way towards helping Stockport Mind reach their budgeted monthly fund-raising target of £3000. Let's see how much of a difference we can make!

**Other ways to donate** – If you'd prefer to send a donation by cheque, you can! Make the cheque payable to "Stockport Mind", write Davenport GC on the reverse and send to the address below.

Stockport Mind need the support of Davenport Golf Club more than ever, and in turn, **they will always be there should you need their help.** Give them a call on 0161 480 7393 – they will reply to all enquiries as soon as possible.

Together, your donations will mean Stockport Mind can be there for everyone in the local area during extremely challenging times and can provide the vital support which is clearly so needed right now.

Thank you for reading, and for any help you can give.

**Stay safe**

*Sue and Stuart*
