## About Us

People with learning disabilities face exclusion from many aspects of mainstream life. They have fewer friends, poor employment prospects and are more likely to be affected by poverty, ill-health and loneliness.

LinkAble works hard to overcome these issues for children and adults with learning disabilities in Woking and Surrey Heath.

Since 1989 we have supported people to learn new skills, gain confidence, form lasting friendships and lead fulfilling, independent lives.

### HOW YOUR SUPPORT CAN HELP

**£50 - £100** would buy a giant bean bag. Many of our service users struggle with sitting independently on the floor. We use giant bean bags to support them. We would like to increase the number of giant bean bags we have and replace some which are coming to the end of their usable life

**£200** would cover the cost of buying materials for arts and crafts, messy play and ingredients for baking during one of our half term holiday schemes

**£500** allows LinkAble to train 4 sessional workers to ensure the highest level of care for service users under 18 years old
