

Buckinghamshire v Oxfordshire – ladies county 2nd team league match Saturday 29th April 2023 Venue: Frilford Heath (red course)

The playing conditions were excellent at Frilford Heath – fairways were in excellent condition even after such a wet early spring. The greens were superb and putting on them was a sheer delight. It was the first opportunity for many of us to play in a t-shirt and to swing freely in summer clothing without the restriction of many layers.

We had a friendly and competitive day against Oxfordshire. They won two of the three morning foursomes, but we came out strong after lunch winning the first 4 of the six afternoon singles. Thank you to Sue Adams who drove up for the afternoon singles as Gillian Kinnear had a work commitment in Manchester so couldn't play after lunch.
