September 2022

Ladies,

September 2022 a month that will be forever in the history books as when our Majesty the Queen passed away. A remarkable lady who served her country for 70 years.

Keyword Lounge

From one remarkable lady to another; Iris Keywood. Iris has been a member of Cardross Golf Club for 78 years, joining at the tender age of 13. She has held the post of Lady Captain on 3 occasions and been Club Champion 16 times over 4 decades - what an achievement! The bar previously known as the family lounge, will now be the Keyword Lounge as a tribute to the family association with Cardross Golf Club. Iris's father was also a past Club Champion on 8 occasions, so a very significant connection between the Club and the Keywood family.

Daily Mail Competition

Congratulations to Ann Shanks and Kath Brown for winning 6 rounds in this competition. Unfortunately, the ladies lost in the 7th round. A great run, ladies, we all share in your disappointment in missing out on the final.

Team Update

Greenlees

Kilmacolm match was on 18th August. Result was Kilmacolm 5 and Cardross 2

Bothwell Castle was on 29th August. Result was Bothwell Castle 1.5 and Cardross 5.5

With all matches now completed, Cardross finished overall second place in Division 3 and, as a result, will play in Division 2 in 2023. Well done, Ladies!

Allander

Cardross finished in 3rd place this year with 13 points, Milngavie won overall with 16 points.

Team matches are good fun and many new friendships have been built over the years. The Allander matches are played off handicap, Greenlees are played off scratch. They are a great way of playing new courses and meeting people from different clubs, but also developing your match play skills. So, if you haven't played in any of the teams this year, please do consider it for 2023.
