

Coronavirus- Club Action

Dear Member

Following on from the latest instructions from the Government, we can confirm that the Upstairs Clubhouse facility will be closed for the foreseeable future.

The changing rooms and toilets will be accessible,

The Pro Shop will remain open but from the side door.

We currently have our outside take away food outlet that Emma is running on the caravan park serving Coffees, bacon rolls, etc.

The situation will be reviewed as government information and legislation changes.

If any members or they think friends may need help with anything or are on their own please call me at the club and we will help, Emma is making Lasagne, Cottage Pie, Chicken & Ham Pie, and Beef Pie. We also have access to provisions, vegetables etc if required.

Please continue to enjoy your golf.
