

Puckrup Seniors V Naunton Downs (at Naunton Downs) – Match report 26/8/21

This fixture was the first of two to be played against Naunton Downs and the first since significant changes have been made to the course with three new holes. This fixture resulted in a win by Naunton Downs by six points to none. Three of the matches were close affairs, including that between the two captains which went down to the very last putt. But overall, Puckrup were well beaten on this occasion. The match, follow up drinks and meal were all the better for the friendly atmosphere that all enjoyed throughout. The return match at Puckrup is due shortly on 12th September when we hope for a much more positive result. Watch this space!
