Welcome to Copthorne Golf Club

Set in a picturesque part of West Sussex countryside, Copthorne Golf Club is situated just off the M23 at Junction 10 and is only a 5-minute drive from the motorway.

Copthorne Golf Club was formed in 1892 and later reconstituted in 1903. Full records exist from 1903 and it was thought for some time that the Club had only existed from the inaugural meeting of 1903. However, in 1969 the Club came into possession of two silver medals, one is inscribed 'Copthorne Golf Club' and the other 'Copthorne Golf Club won by Stanley Russell in 1894'. The medals bear an 1892 hallmark. The Royal and Ancient Club of St. Andrews were consulted and after a search the following record was found in the Golfers Guide of 1897 - 'Copthorne Golf Club - instituted in 1892.

The original golf course has the following entry in the same Guide - 'An 18 hole course on the common one mile from Rowfant Station. The grass is short and the hazards are mostly natural. The Ladies have a separate 9 hole course. There is a clubhouse near the green'.

In the early years it was necessary to provide stabling for horses whilst members enjoyed their round of golf. Again judging by their addresses many must have travelled by train to Rowfant and then walked across country to the course. The layout of the original course in 1892 has not survived and the Club struggled but it was revived in 1903 and by the spring of 1904 work had advanced to the point where a 9 hole course was in play and competitions were being played for over 18 holes presumably by repeating the 9 holes. The 9 hole course was installed on the west part of the Common opposite New Town Road. Work on building the course continued and, by the end of 1908, 18 holes were open for play.

Over the years many changes have taken place to produce the course that you see today and enjoy. Whilst some of you may be new to Copthorne, those of you that have visited us already will see certain changes to the course as we as a club thrive to improve our course year on year and make for a more challenging but rewarding experience.

Originally established by a group of golfing enthusiasts, Copthorne has remained a private members club ever since. Renowned for its hospitality from earliest times, golf has been enjoyed here by both men and women.

The Club has survived and prospered due to the vision and foresight of dedicated people. The quality of golf played by the members has varied but essentially the Club has provided fellowship and friendly competition for the average club golfer.

We hope that your day here with us is both enjoyable and memorable.

The Captain's Committee offers the following advice for members, guests, and visitors:

Members, visitors and guests are encouraged to wear golf attire or smart casual clothing when in the clubhouse. For the avoidance of doubt, flip flops are not permitted at any time. Smart, clean trainers are permitted.

Clean, smart denim trousers are permitted (torn clothing is not allowed) and gentlemen's shirts should be tucked in.

Golf shoes are not permitted in the Lounge Bar, Dining Room or Sun Lounge.

Smart casual attire is permitted in the Dining Room unless an event-specific dress code is advised.

Golfers are asked to refrain from wearing hats in the clubhouse.

**Any member or guest not adhering to the dress code
will be politely asked to change their attire.**

*The dress code may be relaxed or modified from time to time on an event-specific basis.
